

Letter of Recommendation

July 13, 2020

To whom it may concern,

My name is Brian Maruska and I am the owner of SoDak Marketing, LLC in Rapid City, SD. I can not adequately recommend Chris Hornick in high enough regards on this simple letter.

I can assure that Chris not only has a high drive for success in whatever he does but you're going to be hard-pressed to find another member for your team that has the knowledge and personal skills in the same package. His knowledge of digital marketing, website production and maintenance, etc. is not only wide but also very deep across all topics.

Although he is technically a competitor of mine he's a great friend, father and husband for his family and without a doubt a great addition for your team.

Feel free to reach out if you have any questions. Would love to chat!

Regards,

A handwritten signature in black ink, consisting of the letters "BM" in a stylized, cursive font.

Letter of recommendation | Chris Hornick

Dear To Whom It May Concern,

I have known Chris for over seven years as both a boss, mentor and friend. I have always been impressed with Chris's in-depth knowledge of any job he does. I know that whatever task or operation that is given to Chris will be completed at a whole new magnitude. He is always on time with any project in his wheelhouse and strives to learn more every day about the task at hand.

I enjoyed having Chris as my go-to for any questions or problems that arose in my corner. He listens to your questions and responds with an educational and informative response to make sure you understand the response but also learn from the question being asked. I always felt that I could ask Chris questions for any situation and he would assist me.

Chris is one of the most approachable people I have ever met in my life, he brings up the team average in both social and education aspects and cares about others in his circle. He strives in team environments and can take on any workload with grace and dedication. Working on a team with Chris was one of the highlights of my job when I worked with him.

I can provide more details and answer any questions if any were to come up. I can be reached at any of the contact points below.

Sincerely,

Jordynn Mutchler
